- Combating corruption-related crimes and its effectiveness.
- Anthropology of corruption.
- Subjects of anti-corruption efforts and their organizational-legal status.
- Anti-corruption measures in municipalities.
- Anti-corruption standards and requirements (prohibitions, restrictions, obligations).
- Mechanisms and procedures for preventing, detecting, and resolving conflicts of interest.
- Fostering anti-corruption behavior in various social spheres (education, healthcare, procurement, etc.).
- Anti-corruption planning.
- Anti-corruption expertise.
- Anti-corruption auditing.
- Anti-corruption education.
- Anti-corruption awareness.
- Anti-corruption propaganda.
- Anti-corruption inspections.
- Anti-corruption incentives.
- Anti-corruption forecasting.
- Corruption risks in the civil service system: identification and mitigation.
- Training specialists in preventing corruption offenses.
- Anti-corruption security and ensuring measures.
- Anti-corruption compliance and its application in organizations under public authorities.
- Anti-corruption culture and mindset.

- Anti-corruption psychology.
- Anti-corruption theology.
- Countering illicit financial operations for corrupt purposes.
- Prosecutorial oversight of anti-corruption legislation compliance.
- Ensuring safety of individuals involved in anti-corruption efforts.
- Public and state control over anti-corruption policy implementation.
- Evaluating effectiveness of anti-corruption policy tools.
- Information support for state anti-corruption policy.
- Digital aspects of corruption and countermeasures.
- Liability for corruption offenses.
- Anti-corruption law and implementation mechanisms.
- Anti-corruption procedural law.

Official languages of the conference: Russian, Chinese, English.
The conference will be held in a hybrid (in-person/online) format using videoconferencing. Proceedings and other publications will be issued post-conference.

Applications for participation (including without presentations) must be submitted by November 1, 2025, exclusively via the online registration form: <https://ieml.ru/enlightenment/dialektika/>

Participants may submit:

- Presentation materials for conference proceedings — via the online registration form.
- Scientific articles for publication in Russian Journal of Economics and Law (K1-category per Russian Higher Attestation Commission) — via separate registration on the journal's website in full compliance with author guidelines: <https://www.rusjel.ru/jour/about/submissions#authorGuidelines>

All materials undergo peer review and competitive selection by the conference editorial board and/or journal reviewers.

Length: ≤6 pages (including abstract/keywords). File format: RTF. Font: Times New Roman 14 pt. Page: A4, 2 cm margins. Line spacing: 1.5. Paragraph indent: 1 cm. Footnotes: standard auto-numbered. Header: Author's full name (nominative case), academic degree, affiliation, position, and presentation title. Content requirements: Abstract (≤250 words) and keywords in any two official conference languages. Structured abstract: purpose, methods, results, novelty, practical significance. Keywords: 3–15 terms, comma-separated, no final period. Mentions of foreign agents/extremist/terrorist organizations must comply with Russian legal designations. Plagiarism/unethical citations prohibited. Minimum 80% originality per "Antiplagiat.Vuz". AI-generated content is inadmissible.
